### Clarification & Declaration

It has come to our attention that an organization named - *National Rural Development and Recreation Mission (NRDRM)*, has been found to be operating fraudulently, as declared by the **Ministry of Rural Development, Government of India**.

We, **National Rural Recreation Mission Society (NRRMS)**, would like to clarify & declare that we are a **completely separate and legitimate entity**. **NRRMS** has no affiliation or connection to the aforementioned fraudulent organization (**NRDRM**) or its activities, and we **NRRMS** continue our work in promoting rural recreation in a lawful and transparent manner.

*Additionally*, we have noticed that certain **YouTube channels** are misleading the public by falsely linking or associating **NRRMS** with -NRDRM to generate views. We strongly advise/urge viewers to verify information from official sources and avoid spreading misinformation, and suggest such Youtuber clarify themselves.

***Thank you for your understanding and support.***
